Sunday 8th September 2019

on

The Village Green

Competitions, Stalls, Games, Teas and BBQ (BYOB)

Fun Starts at 12.30 with prize giving and raffle at 3.30pm

Summer in Tuttington

15th June was one of the better Saturdays this summer so the **Village Coffee Morning** and produce sale moved from inside Church to outside in the sunshine. The coffee mornings are becoming regular events, so look out for posters advertising the next one in October. They are a great opportunity to meet with neighbours, browse the book sale and there is a toy corner to amuse our younger visitors! If you love to bake and would like contribute a cake please contact Jan on 733985 or June on 734776.

The Annual Village Picnic took place on Saturday 6 July under our new village marquee. Despite it being a rather chilly evening those who came along enjoyed not only judging the very impressive Guinness and Chocolate cake competition but sampling them following their own picnics. Congratulations to James who won the cake competition and to Colin whose sunflower was the tallest on 6 July - but who will have the largest flower by the 8 September?!

Local History with Pimms and Puddings. Over 60 people came along to hear a talk about the origins of Tuttington by Local historian Richard Harbord. There was a great atmosphere as everyone chatted whilst browsing the many photographs and other memorabilia on display as well as enjoying an amazing selection of puddings – people who couldn't make the evening came along the next morning for coffee and more cake and chat. The weekend raised £386 - thanks go to everyone who contributed in any way.

Derek Sopwith who some of you will remember from when he lived in Swann's Barn with his wife Jennifer, sadly died in July aged 73

Parish Council – Chairman's Report meeting held 10 July 2019

Christine MvVeigh stood down from the council due to her work commitments which regularly take her overseas for extended periods, she is unable to give the Parish Council sufficient time and commitment, we thank Chrissie for her work. This leaves us with a vacancy so due notice of the Casual Vacancy will be posted on noticeboards and websites. If you have an interest in local affairs and would like to get involved, please consider applying, for more information either speak to the Parish Clerk or any member of the Parish Council

As I have reported before the Parish Council has been concerned with traffic speed through the villages, and have been considering village gateways. We met with the County Highways team and identified potential designs and positioning, and will be in a position to debate these and make a decision at the next Parish Council meeting. Funding has essentially been agreed with half the funds required being provided by the Parish Partnership Scheme and the remainder being promised from County Councillor David Harrison's discretionary fund. More details in enclosed flyer.

We are due another visit from the Highways team which will look at remedial issues aligned to the existing road infrastructure and signage with the Parish.

Documents describing the use of the village green in Tuttington as a village amenity have been placed on both the Parish Council and Tuttington Hub websites

The next Parish Council meeting is scheduled for 7:30pm on 11 September 2019 in Tuttington Church, all residents of the parish are welcome to attend

St Peter and St Paul Church

Thanks again to those people who have supported the various activities in (and outside!) Church over the past few months. In the last issue we detailed some of the urgent repairs needed to maintain the building, I'm delighted to report that since then we have been successful in our grant application to Norfolk Churches Trust and have been awarded £10,000. We are now working with our appointed church architect on prioritising repairs as well as other grant applications for the repair work and potential improvements to the facilities for community use.

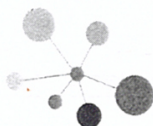

Harvest Festival Service is being held in Tuttington Church on 15 September, Harvest is traditionally one of the most important services of the year, particularly in rural communities. The Church will be beautifully decorated and a collection of dry goods will be made for the Foodbank, if you would like to make a contribution please bring it along on the day or leave it in the box that will be in the church porch during the week starting 9 September.

The next charity stall in Aylsham Market place will be on 7 September so if you're having a clear out and find anything that can be sold on a bric a brac stall please deliver them to Jane Covey (Church Farm House) or leave them in the Church Porch.

Dates for your Diary:

- | | |
|--------------|---|
| 7 September | Church Stall Aylsham Market Place |
| 8 September | Village Show on the Green |
| 11 September | Parish Council Meeting – Tuttington Church 7.30pm |
| 13 September | Harvest Supper – Banningham Village Hall |
| 15 September | Harvest Festival 10 am |

Tuttington Times: Any articles or ideas for our next edition to Jan Lodge on 01263 733985 or janlodge@live.com by 30 October 2019

Tuttington Hub - Don't forget for more information about what's going on in and around Tuttington the Hub is the place to look!

Burgh and Tuttington Parish Council Meeting

Wednesday 11th September 2019

7:30 pm

Tuttington Church

Alterations to traffic flow, change of speed limit and other measures were discussed with the Highways team during their visit but were ruled out at this time given the criteria they work to not being evident within Tuttington. Any such measures and changes would be a major uphill battle and have very little, if any, chance of success. Post the introduction of Village Gateways we will continue to review our options should the problems with traffic flow remain.

We will be debating the installation, design and location of village gateways at our next meeting, please come along and have your say
